ABOUT THE ORGANISERS:

LJRF CENTRE FOR WOMEN AND CHILDREN is a non-profit research Centre under the Law and Justice Research Foundation which primarily focuses on Prevention of Sexual Harassment at Workplace Act, 2013. The Act was implemented by the Government of India in 2013 following the Vishaka judgement to address the issue of sexual harassment faced by women at workplace and to create a safe and conducive work environment. The Centre aims to understand its implications and scope for expansion of the ambit of the Act in particular as well as women's rights in general. The Centre has previously collaborated with institutions including KELSA to bring about the conversation on POSH Act, 2013 as well as in relation to Dowry Prohibition Act, 2005 etc.

ABOUT THE ORGANISERS:

AMU CENTRE MALAPPURAM is an institution of eminence which fosters research, holistic growth and quality education. The institution flaunts a full fledged and toothed Internal Complaints Committee which acts as the first line in dealing with and preventing issues of sexual harassment in the campus.

The Women's cell is also proactive in ensuring the welfare of female students and making it a women friendly campus.
